Betchadupa

Sleepy news in yesterday I wrote it to you Before I left I had to say What does it mean? I left my house at Half past eight What did I leave for? And then I went into the town Beneath my kingdom Chorus: (2x) There I am I'm dead and you Killed me Sleepy news I paint the fence For all my people I try so hard to not offend But fuck you too Believe me when I try to say The good Ive done for you The reason I forget to keep The troubles in my mind Chorus (2x) Sometimes I lie outside Chorus (2x)
