

# Who's Coming Through The Window

Betchadupa

Tense is what I felt inside of my head on Monday  
I had to prove my research.  
Whose coming...  
Y'know it doesn't make much sense how I keep losing all my t-shirts

The sun shines in other skies  
The moon rise, I'm hypnotised  
Who's coming through the window?  
Take a look around  
Take a look around  
There's a lot to see

I got an eight foot man an the side of the road singing I can count to three!  
Y'know it happened to me once again last Thursday  
and viva la resistance

The sun shines in other skies  
The moon rise, I'm hypnotised  
Who's coming through the window?  
Take a look around  
Take a look around  
There's a lot to see

I got an eight foot man an the side of the road singing I can count to three!  
Listen up to lighten up  
Take a look around  
Take a look around  
There's a lot to see  
I got an eight foot man an the side of the road singing I can count to three two iwaaooah!
