

## Classic

Beth Crowley

We started something  
I wanna finish  
Wasn't sure at first but  
Now I'm all in it  
I'm asking you  
Take a chance with me

Didn't think much of it  
When we decided  
This could be fun so  
Why not just try it  
We don't make sense but  
It's not hard to see

I know you want me and  
Baby I want you too  
Isn't it obvious  
You and I are classic  
There is no time to waste  
Come on and make your move  
God, it's so obvious  
You and I are classic

You and I are classic  
You and I are classic

I can trace it back to  
The very moment  
You were still pretending  
I knew I wasn't  
I held my tongue but  
I can't anymore

Every word you wrote me  
Flew off the pages  
To my heart where they  
Reverberated  
The music was there  
I couldn't hear it before

I know you want me and  
Baby I want you too  
Isn't it obvious  
You and I are classic  
There is no time to waste  
Come on and make your move  
God, it's so obvious  
You and I are classic

You and I are classic  
You and I are classic

Please let me keep  
Driving you crazy  
Cuz you're running circles  
In my head lately  
But don't stop

No, no

I know you want me and  
Baby I want you too  
Isn't it obvious  
You and I are classic  
There is no time to waste  
Come on and make your move  
God, it's so obvious  
You and I are classic

You and I are classic  
You and I are classic  
You and I are classic
