

## Standstill

Beth Crowley

I guess it's my fault this time  
I used to think that it was so  
Important to be right  
So I didn't call you  
Say I'm sorry  
You wouldn't have answered  
The damage was done  
I should give you up

But I've hit a standstill  
A brick wall  
I won't admit it  
But I just keep collecting regrets  
How did I make such a mess of this  
I wasn't ready  
To love you  
Can't say it now  
Though I want to  
I have nothing but my pride  
But it doesn't keep me warm at night

I heard you met someone else  
I ask our friends about you  
'Cause I just can't help myself  
I push down the feeling  
That I'm breaking  
And smile when they tell me  
It's not going to last  
I just want you back

Are you lonely?  
I get lonely too  
Do you miss me?  
Lately I've been missing you  
Are you happy  
Like I'm trying to be?  
Have you moved on?  
Or do you ever think of me?
