

# Broken & Ugly

Beth Hart

Me and my dog really get along  
She don't howl when I'm screaming my song  
I cuss I drink I lie I spit  
Guess I don't really give a shit

Broken and ugly yes I am  
Still I feel good diving in  
Mama I'm running again odelay

Down in Alabama where I'm wanted in jail  
I'm a little nervous in the Bible belt  
I'm broke I'm smoked out and passed out on the bar  
Then I took all the money and your grandma's car

Broken and ugly yes I am  
Still I look good diving in  
Mama I'm running again odelay

Do what ya do say what ya say  
Don't waste no time on yesterdays  
Cash in your ticket to ride  
Don't let them talk you into walking  
Into no one else's shoes  
Don't be no sucker in line

Broken and ugly yes I am  
Still I look good diving in  
Mama I'm running again  
Mama I'm running again  
Mama I did it again odelay
