

Face Forward

Beth Hart

Are you a liar
Or are you a thief
Are you a dog
Cause I am the leash
Are you a son
Or are you a bitch
I am your God
The scratch you can't itch

Face forward son
Face forward son
You are your gun

I'll beat you down
Your back I will break
I'll make you beg
I'll make your soul shake
This ain't no nursery
So kiss that floor
This is your life
The american core

Face forward son
Face forward son
You are your gun

Are you a liar
Or are you a bitch
I am your God
The scratch you can't itch
