

Crazy For You

Beth McCarthy

I look for you in the crowd
You are the only face that I want to see
I think I've figured it out
I know what it is that you do to me

I don't usually fall for somebody so fast
But I always want the things that I can't have

'Cause I'm crazy for you
You already know that
I'm crazy for you, I'm crazy
I've been waiting for you
I don't even know you
But I'm going to

You can say what you want with your words
'Cause your eyes tell me differently
I know I'm turning you on I love
That you give in so easily

You don't usually fall for somebody so fast
But you always want the things that you can't have
You can't have

'Cause I'm crazy for you
You already know that
I'm crazy for you, I'm crazy
I've been waiting for you
I don't even know you
But I'm going to

I'm wrapped around your little finger
You know just how to make me shiver

I don't usually fall for somebody so fast
But I always want the things that I can't have
I can't have

'Cause I'm crazy for you
You already know that
I'm crazy for you, I'm crazy
I've been waiting for you
I don't even know you
But I'm going to

I'm crazy for you
You already know that
I'm crazy for you, I'm crazy
I've been waiting for you
I don't even know you
But I'm going to

I'm going to
I'm going to
