

# Good Bi

Beth McCarthy

Falling in love has always been something I'm good at  
I wear my heart on my sleeve and it's been on quite a few bedroom floors  
They'll say I'm greedy, a little too needy  
But is it a crime that I like everybody?

I like the boys and the girls  
The girls hate girls who date boys  
The boys like girls who like girls  
As long as they get to watch  
And if I fall for a girl  
The boys will call it a phase  
If I fall for a boy  
The girls are calling me fake

Double the options  
Double the problems  
I get what I want and I want both sides  
Double attraction  
Means double the action  
I get what I want and I'm everyone's type  
How could anybody hate a good bi?  
Bye bye  
How could anybody hate a good bi?  
Bye bye

I'll be honest it took me some time  
To get this damn good at living my life  
I had a high school crush, never realised what it was  
So we stayed best friends but the sleepovers were fun  
Then I got a boyfriend, he broke my heart  
Said I'd never love again  
But here I am with

Double the options  
Double the problems  
I get what I want and I want both sides  
Double attraction  
Means double the action  
I get what I want and I'm everyone's type  
How could anybody hate a good bi?  
Bye bye  
How could anybody hate a good bi?  
Bye bye

I like the boys and the girls  
The girls hate girls who date boys  
The boys like girls who like girls  
As long as they get to watch  
But I'll keep falling for girls  
Cause it was never a phase  
I'll keep falling for boys  
It's a shame that you just don't get it  
I get it, you're ugly!

Double the options  
Double the problems  
I get what I want and I want both sides

Double attraction  
Means double the action  
I get what I want and I'm everyone's type  
I'm everyone's type  
How could anybody hate a good bi?  
Bye bye  
How could anybody hate a good bi?  
Bye bye  
How could anybody hate a good bi?
