

Pretty Lies

Beth McCarthy

Pretty lies are the easiest ones to believe
I've seen the light, it's not all it's cracked up to be and I'
m
Sleep deprived 'cause waking up would stop the dream
And I can't go back, I can't go back

Love is blind but I see the end as we begin
Tell me why my biggest fear is losing him 'cause
How can I be so afraid to lose something
That I never had, I never had

Suddenly I can see maybe we are make believing
Suddenly I can see maybe we are just enough
I know I know I'm drunk in love and he's still sober
I won't I won't I won't give up this won't be over

Let's pretend that this is more than just a game
That in the end I'll be more than just a name
Once again I'll only have myself to blame
But we can't go back, we can't go back

Suddenly I can see maybe we are make believing
Suddenly I can see maybe we are just enough
I know I know I'm drunk in love and he's still sober
I won't I won't I won't give up this won't be over

Won't be over no

Suddenly I can see maybe we are make believing
Suddenly I can see maybe we are just enough
I know I know I'm drunk in love and he's still sober
I won't I won't I won't give up this won't be over

It won't be over
