Strong Enough To Bend

Beth Nielsen Chapman

There's a tree out in the backyard
That never has been broken by the wind
And the reason its still standing
It was strong enough to bend

For years, we have stayed together As lovers and as friends What we have will last forever If we're strong enough to bend

When you say something that you can't take back Big wind blows and you hear a little crack When you say "Hey well I might be wrong" You can sway with the wind till the storm is gone Sway with the wind till the storm is gone

Like a tree out in the backyard
That never has been broken by the wind
Our love will last forever
If we're strong enough to bend

When you start thinkin' that you know it all Big wind blows and a branch will fall When you say "Hey this job takes two" We can sway with the wind till the skies turn blue Sway with the wind till the skies turn blue

Like a tree out in the backyard

That never has been broken by the wind

Our love will last forever if we're strong enough to bend

Our love will last forever if we're strong enough to bend
