

See You Again

Beth

It's been a long day without you my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh I'll tell you all about it when I see you again
When I see you again

Why'd you have to leave so soon, yeah
Why'd you have to go
Why'd you have to leave me when I needed you the most
Cause I don't really know how to tell you
Without feeling much worse
I know you're in the beeter place
But it always gonna hurt
Carry on
Give me all the strenght that I need
Carry on

It's been a long day without you my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh I'll tell you all about it when I see you again
Ooooh ooh oh oh oh
When I see you again
