

## See You Again

Beth

It's been a long day without you my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh I'll tell you all about it when I see you again  
When I see you again

Why'd you have to leave so soon, yeah  
Why'd you have to go  
Why'd you have to leave me when I needed you the most  
Cause I don't really know how to tell you  
Without feeling much worse  
I know you're in the beeter place  
But it always gonna hurt  
Carry on  
Give me all the strenght that I need  
Carry on

It's been a long day without you my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh I'll tell you all about it when I see you again  
Ooooh ooh oh oh oh  
When I see you again
