

Your Woman

Bethany Joy Lenz

When, when you touch me
when you say my name
Oh I never liked the sound of my name
till you said it baby

No, don't you leave me
don't you leave my side, I'd lose my mind
You'll never hear the sound of your name
like I said it baby

When you touch me
When you get home
I am alive
I am strong
Whisper the words
Hold out your hand
And for the first time
I feel like I can be yours
I am your woman

When, when you move me
I can barely keep the roof on the room
Tell me you can hear the sound
of my heart screaming baby

When you touch me
When you get home
I am alive
I am strong
Whisper the words
Hold out your hand
And for the first time
I feel like I can be yours
I am your woman

Please, please, please
don't you break my heart
I am trying to believe
If only you could see

When you touch me
When you get home
I am alive
I am strong
Whisper the words
Hold out your hand
And for the first time
I feel like I can be yours
I am your woman
