

# Alabaster Heart

Bethel Music

So here it is, my alabaster heart  
I'm keeping nothing back from Who You are  
No hidden treasure veiled by key or lock  
You're a lifetime worth of worship and that's only just the start

And here it is, my every waking day  
The minutes, hours, the years of endless praise  
For You're worthy far beyond all I could say  
There's a lifetime worth of worship in the nuance of Your names

So let it rise like incense  
My whole life a fragrance  
Every ounce here broken at Your feet  
Every breath, an offering  
My heart cries, these lungs sing over You  
My worthy King of kings

There it is, Your alabaster cross  
Giving all You are for all I'm not  
I can't believe that's the kind of King You are  
How could I not bring a lifetime worth of worship to You, God

Oh let it rise like incense  
My whole life a fragrance  
Every ounce here broken at Your feet  
Every breath, an offering  
My heart cries, these lungs sing over You  
My worthy King of kings  
So let it rise

So let it rise like incense  
My whole life a fragrance  
Every ounce here broken at Your feet  
Every breath is my offering  
And my heart cries, these lungs sing over You  
My worthy King of kings

We gonna lay all down  
We gonna bring it all now

All my love, all my love, all my love  
You can have it all  
All my love, all my love, all my love  
You can have it all  
All my heart, all my soul, all I own  
You can have it all  
All my heart, all my soul, all I own  
You can have it all

All my love, all my love, all my love  
You can have it all  
All my love, all my love, all my love  
You can have it all  
All my heart, all my soul, all I own  
You can have it all  
All my heart, all my soul, all I own  
You can have it all

All my love, all my love, all my love  
You can have it all  
All my love, all my love, all my love  
You can have it all  
All my heart, all my soul, all I own  
You can have it all  
All my heart, all my soul, all I own  
You can have it all

Oh You can have it all  
Oh You can have it all  
Oh You can, You can have it all

So let it rise like incense  
My whole life a fragrance  
Every ounce here broken at Your feet  
Every breath, an offering  
My heart cries, these lungs sing over You  
My worthy King of kings

Let it rise like incense  
My whole life a fragrance  
Every ounce here spilled out at Your feet  
And every breath is my offering  
My heart cries, and these lungs sing over You  
Oh my worthy King of kings  
So worthy You are now

All my love, all my love, all my love  
You can have it all  
All my love, all my love, all my love  
You can have it all  
All my heart, all my soul, all I own  
You can have it all  
All my heart, all my soul, all I own  
You can have it all

All my love, all my love, all my love  
You can have it all  
All my love, all my love, all my love  
You can have it all  
All my heart, all my soul, all I own  
You can have it all  
All my heart, all my soul, all I own  
You can have it all

All my love, all my love, all my love  
You can have it all  
All my love, all my love, all my love  
You can have it all  
All my heart, all my soul, all I own  
You can have it all  
All my heart, all my soul, all I own  
You can have it all
