

Another in The Fire

Bethel Music

There's a grace when the heart is under fire
Another way when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

There was another in the fire
Standing next to me
There was another in the water
Holding back the seas
And should I ever need reminding
Of how I've been set free
There is a cross that bears that burden
Where another died for me

There is another in the fire, ooh

All my debt left for dead beneath the waters
I'm no longer a slave to my sin anymore
And should I fall in the space between
What remains of me and this reckoning
Either way I won't bow to the things of this world
I know I will never be alone

There is another in the fire
Standing next to me
There is another in the waters
Holding back the seas
And should I ever need reminding
What power sets me free
There is a grave that holds no body
And now that power lives in me

There is another in the fire, oh
There is another in the fire, oh
There is another in the fire, oh
There is another in the fire, oh

I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between us
Nothing stands between us

There is no other name
But the Name that is Jesus
He Who was and still is
And will be through it all
So come what may in the space between
All these things unseen and this reckoning
I know I will never be alone
Yes, I know
I know I will never be alone

There'll be another in the fire
Standing next to me
There'll be another in the waters
Holding back the seas
And should I ever need reminding
How good You've been to me
I'll count the joy come every battle
'Cause I know that's where You'll be

There'll be another in the fire, oh
There'll be another in the fire, oh
There'll be another in the fire, oh
There'll be another in the fire, oh
