

Arrows (I Will Be With You)

Bethel Music

Lift up your eyes, child
Don't be afraid
I hold the world in the palm of My hand

Lift up your eyes, child
I'm calling your name
My love for you is greater than the grains of sand

I will be with you
There's nothing to fear
Wherever you go
I will be there
When all you see is arrows
I'll be your shield
I will be with you
There's nothing to fear

Come, come away, child
I'll keep you safe
I'll cover you with peace like a riverbed

If you feel like you're sinking
Sink into My grace
Come find yourself in the love that will never end

Oh, I will be with you
There's nothing to fear
Wherever you go
I will be there
When all you see is arrows
I'll be your shield
I will be with you
There's nothing to fear

Oh, there's nothing to fear (Yeah, there's nothing to fear)
Turn your eyes to Jesus
There's nothing to fear

Lay down in the green, green pasture
I will restore your soul
Lay down where the still waters flow

Lay down in the green, green pasture
I will restore your soul
Lay down where the still waters flow

Lay down in the green, green pasture
I will restore your soul
Lay down where the still waters flow

Lay down in the green, green pasture
I will restore your soul
Lay down where the still waters flow

Yes, I will be with you
Oh, there's nothing to fear
Wherever you go

Oh, I will be there
When all you see is arrows
I'll be your shield
Yes, I will be with you
Oh, there's nothing to fear

Oh, I will be with you
There's nothing to fear

When you're walking through the midnight hour
Darkness all around you, I'm right there where you are
Even if you don't see it, even if you can't feel it
I am with you, my child

So cast your burdens onto Me
Cast your cares onto Me
Because I care for you, everything you do

Oh, how I love you, child
Oh, how I love you, child
Singing oh, how I love you, child
Singing over you, oh, how I love you, child
