

# Breaking Through

Bethel Music

Your love is like a sunrise  
Shattering the dark of night  
Your presence is a paradise  
To our hearts

You're filling all the world with light  
You're making every wrong thing right  
You're waking up the dead to life with your love

God you're always breaking through the dark  
Breaking into lives and healing hearts  
Your love has torn the veil  
Your love can never fail  
Your love is making all things new

Your love is an eternal fire  
A jealous and pure desire  
Strong enough to be the sacrifice  
That set me free

You have taken all our sins away  
You have risen and won the day  
You have broken every bond and chain in Your love

So we lift up one voice  
We lift up a voice  
We sing and we shout for joy

For now we are Yours  
Yes our hearts are Yours  
You're ransomed us with your blood
