

Dancing on the Waves

Bethel Music

I'm standing at your door
My heart is calling yours
Come fall into my arms
You're weary from it all
Been running for too long
I'm here to bring you home

I'm reaching out, I'll chase you down
I dare you to believe how much I love you now
Don't be afraid, I am your strength
We'll be walking on the water, dancing on the waves

Look up and lift your eyes
The future's open wide
I have great plans for you, oh, yes, I do
Your past is dead and gone
Your healing has begun
I'm making all things new, watch me do it

I'm reaching out, yes, I am, I'll chase you down
I dare you to believe how much I love you now, ohh
Don't be afraid, I am your strength
We'll be walking on the water, dancing on the waves

Can you see us dancing?
I'll turn your sorrow into shouting
I'll turn your fear into faith, on the waves
Come on let's go

I set every star into place
So you would remember my name
I made it all for you
You are my masterpiece
You are the reason I sing
This is my song for you
Every star in the sky
I set every star into place
So you would remember my name, ohh
I made it all for you
You are my masterpiece
You are the reason I sing, yeah
This is my song for you

I'm reaching out, oh, I'll chase you down
Come on I dare you just believe
Won't you believe that I love you? I really love you
Don't be afraid, know that I am your strength
You can trust me
We are walking on the water, dancing on the waves
Oh watch us
Walking on the water, dancing on the waves, mm
