

Endless Alleluia

Bethel Music

In the morning when I rise to meet You
In the morning when I lift my eyes
You're the gentle light that falls around me
You're the first thought on my mind

Let our voices rise
All creation cries
Singing out an endless alleluia
From this moment on
Join with Heaven's song
Singing out an endless alleluia

In the moments where You go unnoticed
In the ordinary day to day
Countless miracles of life around us
Point like arrows to Your name

Let our voices rise
All creation cries
Singing out an endless alleluia
From this moment on
Join with Heaven's song
Singing out an endless alleluia

Only a moment to live this life
Like shooting stars burning up the night
Till Heaven's opened and we arrive
In Your presence, Lord
In Your presence

Only a moment to live this life
Like shooting stars burning up the night
Till Heaven's opened and we arrive
In Your presence, Lord
In Your presence

Let our voices rise
All creation cries
Singing out an endless alleluia
From this moment on
Join with Heaven's song
Singing out an endless alleluia

There's nothing better, there's nothing better
There's nothing better than this right now
There's nothing better, there's nothing better
There's nothing better than this right now

In the evening when I lay my head down
In the evening when I close my eyes
You're still the only One I wanna cling to
You're the last thought on my mind
