

Honesty

Bethel Music

You don't ask for perfection
So I won't even bother pretending
I've been known from the start

Holding secrets is heavy
So I'll tell You them all, Lord I'm ready
Here's my heart, opened up

Honesty, You want honesty
Not just part of me, You want everything
So all of me, I'll bring You all of me
No more hide-and-seek, Jesus I'm coming clean

You're the One I won't question
When my mind runs a million directions
You're the friend I can trust

Here I am Lord, surrendered
With my hands lifted high, I'll remember
That I'm safe with You, God
And there's no fear in Your love

Honesty, You want honesty
Not just part of me, You want everything
So all of me, I'll bring You all of me
No more hide-and-seek, Jesus I'm coming clean

Oh-oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh

There is nothing in between
You and me, holy are You
Purify and make me clean
Until all of me is holy like You

There is nothing in between
You and me, holy are You
Purify and make me clean
Until all of me is holy like You, Lord

Oh-oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh-oh

Honesty, You want honesty
Not just part of me, You want everything
So all of me, I'll bring You all of me
No more hide-and-seek, Jesus I'm coming clean
