

# How Great a King

Bethel Music

You reached from the sky  
Leaving heaven's throne  
I was meant to die  
You wouldn't let me go

The riches of Your grace  
I could not afford  
My guilt has been erased  
Now I'm forever Yours

And oh, what a price You paid  
Trading the highest place  
You laid down Your crown for me  
How great a King

From death, life has begun  
A garden from the grave  
Bursting through the night  
Yours is the victory  
Oh, from death, life has begun  
A garden from the grave  
You're bursting through the night  
Yours is the victory

And oh, what a price You paid  
Trading the highest place  
You laid down Your crown for me  
How great a King  
And oh, what a life You gave  
You gave up everything  
That You would die for me  
How great a King  
Yeah, how great a King  
Yes, how great a King  
Oh, how great a King, You are, You are  
Come on sing for all You are

Yeah, for all You are, and all You've done  
We lift You up, lift You up  
For all You are, and all You've done  
We lift You up  
Oh, sing it  
For all You are, and all You've done  
We lift You up, lift You up  
For all You are, and all You've done  
We lift You up, we lift You up  
For all You are, and all You've done  
We lift You up, we lift You up  
For all You are, and all You've done  
We lift You up!

And oh, what a price You paid  
Trading the highest place  
You laid down Your crown for me  
How great a King  
And oh, what a life You gave  
You gave up everything

That You would die for me  
Oh, how great a King  
How great a King  
Yes, how great a King  
Yes, how great a King  
Oh, how great a King

And oh, what a price You paid  
Trading the highest place  
You laid down Your crown for me  
How great a King  
And oh, what a life You gave  
You gave up everything  
That You would die for me  
How great a King
