

# I Still Believe

Bethel Music

I choose to sing when I can hardly breathe out a breath  
I choose to stand when all I wanna do is give up  
I choose to trust when my whole world is falling apart  
I choose You, Jesus

'Cause I still believe through it all  
I still believe You are wonderful  
You've never given up on me  
You've never given up on me

I choose to love when everything around me screams hate  
I choose to heal when I have walked through sorrow and pain  
I choose Your name, the only name that's worthy of praise  
I choose You, Jesus

'Cause I still believe through it all  
I still believe You are wonderful  
You've never given up on me  
'Cause I still believe You are powerful  
I still believe You do miracles  
You've never given up on me  
You've never given up on me

Yeah  
Never given up on me

The world may say where is Your God  
We will say He's right here with us  
The world may say where is Your God  
We will say He's right here with us

The world may say where is Your God  
Oh we will say He's right here with us  
The world may say where is Your God  
Oh we will say He's right here with us

His name is Jesus, oh Jesus  
His name is Jesus, Jesus

'Cause I still believe through it all  
I still believe You are wonderful  
You've never given up on me  
'Cause I still believe You are powerful  
I still believe You do miracles  
You've never given up on me  
You've never given up on me  
You've never given up on me
