

Inheritance

Bethel Music

I'd rather have the wilderness with You right by my side
Than wander in the promised land alone
So I will watch the cloud by day and follow fire by night
Wherever You go I will go

Your presence is my inheritance
What more could I want
And Your Spirit is my portion, Lord
What more could I want

I'd rather be a vagabond with You inside my heart
Than dwell in all the mansions of the world
I'd lay down all my treasure, I'd give up all I own
To follow wherever You go, oh-oh-oh

And Your presence is my inheritance
What more could I want
And Your Spirit is my portion, Lord
What more could I want

You are my home
Where else would I go
I wanna walk with You, Jesus
Dwell in Your nearness

Lord, where else would I go
I wanna walk with You, Jesus
Dwell in Your nearness

And dwell in Your nearness
Oh-oh-oh-oh-oh

Your presence is my inheritance
What more could I want
And Your Spirit is my portion Lord
What more could I want
