

# Jesus My King

Bethel Music

Son of God  
Carried the cross of redemption  
Crown of thorns  
Placed on the head of perfection

Jesus, gloria  
Jesus my King

Nail-pierced hands  
Scars that remind me of mercy  
Arms out wide  
Welcoming all who are guilty  
Into the light of Your glory

Jesus, gloria  
Jesus my King

Oh You are Jesus, gloria  
Jesus my King

And how great the heart of the Father  
How great the mercy of God  
How great the price that He paid for love

How great the heart of the Father  
How great the mercy of God  
How great the price that He paid for love  
Oh the price that He paid for love

Jesus, gloria  
Jesus my King
