

# Let Heaven Shout

Bethel Music

I surrender all to You my God  
I will give You all I have  
For You took my filthiness  
And made me clean

I love You, Lord  
Your praises I will sing  
Let Heaven shout  
For I have been redeemed

I lay down my life  
My plans, my rights  
For I'm captured by Your love  
And though I lose this world, I will know You

I love You, Lord  
Your praises I will sing (I will sing)  
Let Heaven shout  
For I have been redeemed

Oh God  
Nothing compares  
To who You are God, no  
And nothing compares  
Oh, I know that

Nothing compares, to You  
I've tasted and I've seen, I know that  
Nothing compares!  
Sing it out

I love You, Lord  
Your praises I will sing  
(From the depths of me, God)  
Let Heaven shout  
For I have been redeemed  
I love You, Lord, oh  
I love You, Lord  
Your praises I will sing (I will sing)  
Let Heaven shout  
For I have been redeemed

I love You, Lord  
Your praises I will sing  
Let Heaven shout  
For I have been redeemed  
I love You, Lord  
Your praises I will sing  
Let Heaven shout  
For I have been redeemed
