

## Nothing Else (Spontaneous)

Bethel Music

I'm caught up in Your presence  
I just wanna sit here at Your feet  
I'm caught up in this holy moment  
I never wanna leave

Oh I'm not here for blessings  
Jesus You don't owe me anything  
More than anything that You can do  
I just want You

And I'm sorry when I've just gone through the motions  
I'm sorry when I just sang another song  
Take me back to where we started  
I open up my heart to You

I'm caught up in Your presence  
I just wanna sit here at Your feet  
I'm caught up in this holy moment  
I never wanna leave

Oh I'm not here for blessings  
Jesus You don't owe me anything  
More than anything that You can do  
I just want You, oh

I just want You  
And nothing else  
And nothing else  
Nothing else will do

I just want You  
And nothing else  
And nothing else  
Nothing else will do

I just want You  
Oh nothing else  
Nothing else  
Nothing else will do

I just want You  
Nothing else  
Nothing else  
Nothing else will do

I just want You  
I just want You  
Oh-oh-oh, You're my heart's desire  
All I want is You, hey yeah  
Oh-oh-oh

Take me back, take me back  
Take me back to my first love  
Take me back, take me back  
Take me back to my first love

Take me back, take me back

Take me back to my first love  
Take me back, take me back  
Take me back to my first love

Take me back, take me back  
Take me back to my first love  
Take me back, take me back  
Take me back to my first love

Take me back, take me back  
Take me back to my first love  
Take me back, take me back  
Take me back to my first love

Nothing else  
Nothing else  
Nothing else will do

Oh I just want You  
Nothing else  
Nothing else  
Nothing else will do

I just want You  
Nothing else  
Nothing else, yeah  
Nothing else will do

I just want You  
Just me and You  
I see You standing there  
With open arms ready to receive me  
Just me and You  
Just the way I want it, just me and You

Nothing else  
Nothing else will do

I just want You  
And nothing else  
Nothing else  
Nothing else will do (I just want You)

Oh-oh-oh  
Oh-oh just me and  
Oh-oh-oh  
Oh-oh-oh-oh

For only You satisfy  
Only You satisfy  
And only You satisfy my heart

And only You satisfy  
And only You satisfy  
And only You satisfy, oh-oh my heart

And only You satisfy  
And only You satisfy  
For only You satisfy, oh my heart

For only You satisfy  
For only You satisfy  
And only You satisfy my heart

I just want You, hey yeah  
Only You satisfy my heart

I just want You
