

## Precious Blood

Bethel Music

Guardian and keeper of my soul  
Laid to rest to make for us a home  
Blameless Son and perfect cornerstone  
All my sin Your sacred gift atoned

Oh the precious blood of Christ  
How it held me through the night  
Oh it brought me back to life  
I am alive by the precious blood of Christ

Love has paid to make me whole again  
My emptiness is filled with heaven's breath  
And that same power that raised You from the dead  
That Spirit is alive inside my chest

Oh the precious blood of Christ  
How it held me through the night  
Oh it brought me back to life  
I am alive by the precious blood of Christ  
Oh I am alive by the precious blood of Christ

And I'm alive, I'm alive to sing it  
Oh I'm alive, I'm alive to bring You praise  
You stepped in and took my shame  
Now I'm new in every way  
By the precious blood of Christ

Oh I'm alive, I'm alive to sing it  
Oh I'm alive, I'm alive to bring You praise  
You stepped in and took my shame  
Now I'm new in every way  
By the precious blood of Christ

Oh the precious blood of Christ  
How it held me through the night  
Oh it brought me back to life  
I am alive by the precious blood of Christ
