

# Reason To Praise

Bethel Music

When I'm at my end, You're just getting started  
When I hit a wall, You just walk through  
When I face a mountain, You are the Maker  
So it's gotta move

When I'm out of faith, You are still faithful  
When I'm at my worst, You are still good  
In all of my questions, You are the answer  
It all points to You

'Cause You're the God of the breakthrough  
When I'm breaking down  
You'll be working a way through  
When there's no way out  
This one thing I know, You're still on Your throne  
So whatever I'm feeling  
I've still got a reason to praise  
Help me say

Praise, praise

Out of our wrongs, You write our story  
And out of the cross, come rivers of grace  
And out of the grave, bursts a revival no tomb can contain

'Cause You're the God of the breakthrough  
When I'm breaking down  
You'll be working a way through  
When there's no way out  
This one thing I know, You're still on Your throne  
So whatever I'm feeling  
I've still got a reason to praise  
Praise, praise  
I've still got a reason to praise  
Praise, praise  
I've still got a reason to praise

When You come around  
Dry bones come to life  
Deserts to paradise  
Stones just start rollin' away  
When You come around  
My heart starts to beat again  
Lungs stretch to breathe You in  
Souls just erupt into praise

When You come around  
Dry bones come to life  
Deserts to paradise  
Stones just start rollin' away  
When You come around  
My heart starts to beat again  
Lungs stretch to breathe You in  
Souls just erupt into praise

'Cause You're the God of the breakthrough  
When I'm breaking down

You'll be working a way through  
When there's no way out  
This one thing I know, You're still on Your throne  
So whatever I'm feeling  
I've still got a reason to praise  
Praise, praise  
I've still got a reason to praise  
Praise, praise  
I've still got a reason to praise

'Cause You're the God of the breakthrough  
When I'm breaking down  
You'll be working a way through  
When there's no way out  
This one thing I know, You're still on Your throne  
So whatever I'm feeling  
I've still got a reason  
To praise

Sing that with me, praise  
Praise, praise  
I've still got a reason to praise  
Praise, praise  
I've still got a reason to praise  
Praise, praise  
I've still got a reason to praise  
Praise, praise  
I've still got a reason to praise (Every time you do, but you know)  
Praise, praise (I'm not giving up on you)  
I've still got a reason to praise  
Praise, praise (I've still got it)  
I've still got a reason to praise (I've still got it)

You keep moving, You keep working  
So I've still got it  
I've still got a reason to praise  
You keep moving, You keep working  
So I've still got it  
I've still got a reason to praise  
You keep moving, You keep working  
So I've still got it  
I've still got a reason to praise  
You keep speaking, You keep acting  
I've still got it  
I've still got a reason to praise

Praise, praise  
I've still got a reason to praise  
Praise, praise  
I've still got a reason to praise  
Praise, praise  
I've still got a reason to praise  
Praise, praise  
I've still got a reason to praise  
Praise, praise  
I've still got a reason to praise  
Praise, praise  
I've still got a reason  
To praise
