

# Ring and Robe (Welcome Home)

Bethel Music

This may be a song that the captives can't yet sing  
But if we sing long enough, they might join in with us  
And this may be a dance that's too heavy for those chains  
But if we dance long enough, well the prisons will open up, hey

This may be a shout that those fragile lungs can't bear  
But if we shout long enough, oh, the walls might finally fall  
And they may need some help to lift their hands up in the air  
But we know that freedom's coming, so we'll sing it all the more

We're singing, oh-oh-oh  
The redeemed now have a song  
We'll sing it all day long  
Until the rest come running home  
And oh-oh-oh  
All the broken, can you hear?  
We'll shout it out forever  
Can't wait till you make it here

Sing it out, say  
Oh-oh-oh  
Oh-oh-oh-oh-whoa-oh  
Oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh-oh-whoa-oh  
Oh-oh-oh

This may be too daring of a prayer to pray out loud  
But would You send those orphans home?  
We've been waiting all day long  
Oh, a ring and a robe is ready, we can see them coming now  
Just like the prodigal, we're gonna meet them in the road

We're singing, oh-oh-oh  
The redeemed now have a song  
We'll sing it all day long  
Until the rest come running home  
And oh-oh-oh  
All the broken, can you hear?  
We'll shout it out forever  
Can't wait till you make it here

Sing it out, say  
Oh-oh-oh  
Oh-oh-oh-oh-whoa-oh  
Oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh-oh-whoa-oh  
Oh-oh-oh

Strongholds start to break  
At the sound of our voices  
At the sound of our praise  
Mountains get out of our way  
Can't you see us dancing?  
There's no room for you to stay, no, no, no

Strongholds start to break  
At the sound of our voices  
At the sound of our praise  
Mountains get out of our way  
Can't you see us dancing?  
There's no room for you to stay

I'm singing, oh-oh-oh  
The redeemed now have a song  
We'll sing it all day long  
Until the rest come running home  
Oh-oh-oh  
All the broken, can you hear?  
We'll shout it out forever  
Can't wait till you make it here

Sing it out, say  
Oh-oh-oh  
Oh-oh-oh-oh-whoa-oh  
Oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh-oh-whoa-oh  
Oh-oh-oh

Yeah, yeah  
Oh, we can see them coming now  
We can see them coming now  
All the broken and weary  
Yeah, He didn't leave you where He found you  
Yeah, welcome home  
He didn't leave you where He found you  
Welcome home

Come on, let's welcome them right now, we say this  
Welcome home  
Yeah, if you're weary, and you're tired  
Welcome home  
You didn't go too far for Him to reach you, say (Welcome home)  
He's got his hands on you, say welcome home (Welcome home)  
If you're broken and tired, come on home  
(Welcome home) The Lord is waiting with open arms, the Lord is open with open arms  
(Welcome home) His love is sufficient, that means it's enough  
His love is sufficient, that means it's enough  
Just keep on running (Just keep on running home)

Just keep on coming, just keep on running  
(Welcome home) My Father's arms are open, my Father's arms are open  
(Welcome home) Keep on running, yeah, keep on running  
Keep on running, keep on running  
Keep on running, keep on running (Welcome home)  
'Cause there's a ring and a robe, there's a ring and a robe  
(Welcome home) Just keep on coming, just keep on running  
There's a ring and a robe, there's a ring and a robe  
(Welcome home) Don't get weary, it will do it  
For if you seize it, you will reap  
(Welcome home) You'll dig deeper, you can't give in  
You'll stay right there, now come on in  
(Welcome home) Welcome home  
For the glory, say welcome home (Welcome home)  
Oh, we're excited, we're excited  
(Welcome home) Can you hear the church, can you hear the church?  
(Welcome home) Come on in, come on in

Say it, say welcome home (Welcome home)

I wanna keep singing this, but for some of you, you have unsaved family members

Unsaved friends, loved ones that you know, maybe strangers that you even know

I believe that the Lord today is honoring what you're saying

And even if they're not ready, you're gonna get a phone call

I prophesy it today

Even if they're in the crack house, you're gonna get a phone call

I prophesy today, I prophesy today

That the broken is coming home, the weary is coming home

The depressed is coming home, the forgotten is coming home

Come on in, come on in, come

(Welcome home)

(Welcome home) If you're heavy-laden, too long, oh weary

The Father's arms are open, welcome home

(Welcome home) Welcome home, welcome home

You belong here, you belong here

(Welcome home) You belong, you belong

(Welcome home) Welcome home, welcome home, welcome home, welcome home

We've been waiting for you

We rejoice with Heaven
