

Simple

Bethel Music

I've tried my best to sustain what You started
But my back couldn't carry the weight
So I'm tracing my steps to the moment I lost my way

I'm replacing control for surrender
In Your kindness there's joy to repent
So I turn my eyes up to the heavens where my song began

Through every season You've been my strength
And with all my heart I'll trust You, Lord
You have been faithful and You've been my song
With all my heart I'll praise You, Lord

I've got scars on my feet from the miles
I've seen trouble but I've seen revival
I've seen peace overcoming the chaos with just one word

And I have walked through the valley of shadows
And sang my way through the darkest of nights
I've held onto Your every word and I will survive

Oh and through every season You've been my strength
And with all my heart I'll trust You, Lord
'Cause You have been faithful, You've been my song
And with all my heart I'll praise You, Lord
With all my heart I'll praise You, Lord

Hey

All You want is the simple
All You want is an honest song of praise
All You want is communion
So I'm done over-complicating things

All You want is the simple
All You want is an honest song of praise
All You want is communion
So I'm done over-complicating things

Through every season You've been my strength
And with all my heart I'll trust You, Lord
You have been faithful and You've been my song
With all my heart I'll praise You, Lord

Oh through every season You've been my strength
With all my heart I'll trust You, Lord
You have been faithful, You've been my song
And with all my heart I'll praise You, Lord
With all my heart I'll trust You, Lord

Hey-ey-ey-ey-ey
With my future, oh I'll trust You, Lord
With my family I'll trust You, Lord
And with my children I'll trust You, Lord
Hey-ey-ey, ooh-ooh-ooh-ooh, ooh
I will trust You, Lord
