

Surrounded By Holy

Bethel Music

Take me into Your secret place
Where I'm constantly amazed
Where the saints and angels bow before You

There's nothing like Your presence
It's just a glimpse of Heaven there
Where the elders throw their crowns before You

Holy, surrounded by holy
There's no one more holy
I'm in wonder and awe
In wonder and awe

King who is wrapped in majesty
You alone will always be
All creation joins with Heaven singing

Holy, surrounded by holy
There's no one more holy
I'm in wonder and awe
In wonder and awe
Holy, surrounded by holy
There's no one more holy
I'm in wonder and awe
In wonder and awe

The more that I enter in, You consume all I am
I lose myself in the One who's holy
As we come face to face, You take my breath away
All I can do is cry holy, holy
The more that I enter in, You consume all I am
I lose myself in the One who's holy
As we come face to face, You take my breath away
All I can do is cry

Holy, surrounded by holy
There's no one more holy
I'm in wonder and awe
In wonder and awe, oh
Holy, surrounded by holy
There's no one more holy
I'm in wonder and awe
In wonder and awe

The more that I enter in, You consume all I am
I lose myself in the One Who's holy
As we come face to face, You take my breath away
All I can do is cry holy, holy

Holy, surrounded by holy
There's no one more holy
I'm in wonder and awe
In wonder and awe, oh

Oh-oh-oh-oh-oh-oh-oh-oh
There's no one more holy
There's no one more holy
