

Sweet Praise

Bethel Music

There is power in Your name
Name that saved us all
So much power in the name, Jesus

Come on, lift your voices, sing out in the Spirit
Let praise rise in this place
Lift your voices, just lift your hands
Start to sing out in the Spirit
Come on, lift your voices
Sing a new song
Ooh-ooh
Yeah, yeah, yeah, lift your voices

Sweet, sweet, sweet, sweet, sweet, sweet
Sweet, sweet sound, oh
Come on, lift your sweet praise
Sweet praise
We magnify Your name, oh-yeah
Oh, we lift You up
Sing out
Come on, just let your song rise
Just praise Him from the depths of you
Praise, praise higher
Praise past it all

There's a sound
There's a sound
There's a sound

Lift You up
And we lift You up
Name above all names
Omniscient, omnipotent God
Oh, You are higher
Oh, God we just stand
You are faithful
And all my trust is in You, God
You are faithful
And all my hope is in You, God
You are faithful
Holy, You're holy

Higher, higher
And we lift You up
Over all these things, O God
We lift You up
Let our focus be on You
And You lift us up
Calling us higher
Oh, You lift us up
Calling us higher
You lift us up
