

This Is a Move

Bethel Music

Yeah, I still believe in signs and wonders
I still believe You're working in power
Yeah-yeah, wonders are still what You do, it's in Your nature
'Cause wonders are still what You do, it's in Your character

Mountains are still being moved
Strongholds are still being loosed
God, we believe it, yes, we can see that
Wonders are still what You do

And bodies are still being raised
And giants are still being slayed
God, we believe it, yes, we can see that
Wonders are still what You do

We are here for You
Come and do what You do
We are here for You
Come and do what You do
Set our hearts on You
Come and do what You do
'Cause we need a move
We need a move
Come on just cry out tonight
Sing that again, we need
'Cause we need a move
We need a move

Ohh, yes bodies
And bodies are still being raised
Come on
My giants are still being slayed
'Cause God, we believe it, yes, we can see that
Wonders are still what You do

'Cause we are here for You
Come and do what You do
We are here for You
Come and do what You do, yes
Set our hearts on You
Come and do what You do
'Cause... (This is a move)
We need
'Cause we need a move
Oh, cry out we need
'Cause we need a move
We need a move
Sing it again, we need
'Cause we need a move, yeah
We need a move, yeah-yeah
We need a move
We need a move

We believe miracles
Miracles happen when You move
Healing is coming in this room
Miracles happen when You move

And heaven is coming
Come on prophesy, a miracle in this place
Miracles happen when You move
Healing is coming in... (This room)
It's already here
Miracles happen when You move
