

# **Victory Is Yours**

**Bethel Music**

Our fight is with weapons unseen  
Your enemies crash to their knees  
As we rise up in worship  
When trials unleash like a flood  
The battle belongs to our God  
As we cry out in worship

The victory is Yours  
You're riding on the storm  
Your name is unfailing  
Though kingdoms rise and fall  
Your throne withstands it all  
Your name is unshaken

What hell meant to break me has failed  
Now nothing will silence my praise  
I will cry out in worship  
The walls of the prison will shake  
The chain-breaking King will rise to save  
As we cry out in worship

The victory is Yours  
You're riding on the storm  
Your name is unfailing  
Though kingdoms rise and fall  
Your throne withstands it all  
Your name is unshaken  
Oh, it's unshaken

You roar like thunder  
Nothing can tame  
God, all-powerful, all-powerful  
We pull down heaven  
With shouts of praise  
God, all-powerful, all-powerful  
You roar like thunder  
Nothing can tame  
God, all-powerful, all-powerful  
We pull down heaven  
With shouts of praise  
God, all-powerful, all-powerful

The victory is Yours  
You're riding on the storm  
Your name is unfailing  
Though kingdoms rise and fall  
Your throne withstands it all  
Your name is unshaken

You roar like thunder  
Nothing can tame  
God, all-powerful, all-powerful  
We pull down heaven  
With shouts of praise  
God, all-powerful, all-powerful

The victory is Yours

You're riding on the storm  
Your name is unfailing  
Though kingdoms rise and fall  
Your throne withstands it all  
Your name is unshaken
