

# Weathered

Bethel Music

After all that we've been through  
Tell me how I'm supposed to function without You  
You've seen my heart be worn and used  
You didn't leave, instead You stayed and made me new

How sweet it is to trust You, Jesus  
To know You, I mean really know You  
Father, Son, and Holy Shepherd  
A love so deep it can't be measured  
A love that's real  
A love that's weathered

I could never count the times  
You stayed faithful while my heart was compromised  
You held me close each time I cried  
When the last thing I deserved was sacrifice

How sweet it is to trust You, Jesus  
To know You, I mean really know You  
Father, Son, and Holy Shepherd  
A love so deep it can't be measured  
A love that's real  
A love that's weathered

More than skin and bone can offer  
You're consistent through and through  
Other love's just imitations  
It cannot compare to You  
Deeper than infatuation  
Than the rush of something new  
This is soul inhabitation  
You're in me and I'm in You

More than skin and bone can offer  
You're consistent through and through  
Other love's just imitations  
It cannot compare to You  
Deeper than infatuation  
Than the rush of something new  
This is soul inhabitation  
You're in me and I'm in You, oh

How sweet it is to trust You, Jesus  
To know You, I mean really know You  
Father, Son, and Holy Shepherd  
A love so deep it can't be measured  
A love that's real  
A love that's weathered

A love that's weathered  
A love that's weathered  
Hey  
Unconditional  
Consistent, never changing  
A love that's weathered

Oh, it calls you higher

He calls you higher  
He can make you whole  
Hey, He can heal the wounds  
Oh, oh, He's not afraid  
He's not afraid  
Oh, it's a jealous love  
He's always pursuing, always pursuing  
He's not running away  
He's tried and true  
Oh, He's tried and true  
It's a jealous love, it's a jealous love  
Oh, He's jealous for us, He's not leaving you where He found you  
He's calling you higher, He's not leaving you how He found you  
Hey, oh, He's calling you higher, come up here, come up now  
Come up here, come up now  
It's a love that calls you higher

This is the love of God  
Always pursuing  
He's never letting you go, no  
He's not letting you go, hey  
This is the love of God  
It's always pursuing  
He's not letting you go  
Just hold on, He's not letting you go  
Oh, yeah  
Let it flow, let the love of God flow

How sweet it is to trust You, Jesus  
To know You, I mean really know You  
Father, Son, and Holy Shepherd  
A love so deep it can't be measured  
A love that's real  
A love that's weathered, yeah  
A love that's real  
A love that's weathered
