

Cry

Betta Lemme

Cry, cry, cry
Cry, cry, cry
Cry, cry, cry

I dry my eyes at just the thought of you
Blue was your color, but now it's mine too
Put on our favorite song, play "Heart of Gold"
I thought you'd be here, that we'd grow old
Woke up alone again, no one to hold
Put on three sweaters, but I'm still cold
I'm crying colors, I can't see clear
Thought it would kill me, but I'm still here

I'll cry and I know I'm alive
Could be worse, I could die
But I just wanna cry
'Cause I miss what was mine
But I know I'll be fine (It's fine, it's fine)
I'll cry (It's fine, it's really fine, it's fine)
I'll cry (Ugh, it's gonna be okay)
I'll cry (I'm fine, it's fine)
I'll cry (Okay, I'm fine)

I'll cry, cry, cry, cry, cry, cry, cry, cry
Won't die, die, die, die, die, die, die, die
I'll cry, cry, cry, cry, cry, cry, cry, cry
I won't die, die
I'll cry, cry, cry, cry, cry, cry, cry, cry
Won't die, die, die, die, die, die, die, die
I'll cry, cry, cry, cry, cry, cry, cry, cry
I won't die, die

When will I wake up feeling whole again?
Stop writing messages that I can't send
I watch old movies just to skip the end
'Cause all the endings feel like pretend
It was smooth sailing 'til we hit a storm
Your leather jacket never kept me warm
You played a joke and threw me overboard
But I'll swim longer because I know

I'll cry and I know I'm alive
Could be worse, I could die
But I just wanna cry (I just want to know)
'Cause I miss what was mine
But I know I'll be fine (It's fine, it's fine)
I'll cry (It's fine, it's really fine, it's fine)
I'll cry (Ugh, it's gonna be okay)
I'll cry (I'm fine, it's fine)
I'll cry (Okay, I'm fine)

I'll cry, cry, cry, cry, cry, cry, cry, cry
Won't die, die, die, die, die, die, die, die
I'll cry, cry, cry, cry, cry, cry, cry, cry
I won't die, die
I'll cry, cry, cry, cry, cry, cry, cry, cry
Won't die, die, die, die, die, die, die, die

I'll cry, cry, cry, cry, cry, cry, cry
I won't die, die

Cry, cry, cry
Cry, cry, cry
Cry, cry, cry
