Bonjour

Hi (hey)
I didn't get your name, no (no)
I feel so outta place
'Cause
I don't usually come to parties
I'm a little bit shy but naughty
But since you laid eyes on me
(Ah, I want to)
Get up and move my body
I'm a little bit shy but naughty
But since you laid eyes on me
I want to play

Lala-lala-lala
I lala-lala-lala
It's lala-lala-lala
I want to play
You lala-lala-lala
I lala-lala-lala
It's lala-lala-lala
I want to play

I want to play
Ciao
I want to play

Saw you here the other day
Wondered in my head if you'd wanna play
You said you said no way
In the dark we're back again
Wanna say the things that I never said
Replaying in my head

I don't usually come to parties
I'm a little bit shy but naughty
But since you laid eyes on me
(I want to)
Get up and move my body
I'm a little bit shy but naughty
But since you laid eyes on me
I want to play

You lala-lala-lala
I lala-lala-lala
It's lala-lala-lala
I want to play
You lala-lala-lala
I lala-lala-lala
It's lala-lala-lala
I want to play

You lala-lala-lala
I lala-lala-lala
It's lala-lala-lala

I want to play
You lala-lala-lala
I lala-lala-lala
It's lala-lala-lala
I want to play

I want to
I don't usually come to parties
I'm a little bit shy but naughty
But since you laid eyes on me
Get up and move my body
I'm a little bit shy but naughty
But since you laid eyes on me
I want to play

I want to play

You lala-lala-lala
I lala-lala-lala
It's lala-lala-lala
I want to play
You lala-lala-lala
I lala-lala-lala
It's lala-lala-lala
I want to play

I don't usually come to parties
I'm a little bit shy but naughty (ooh)
But since you laid eyes on me (ah)
