

When it's Over

Betta Lemme

I'll be okay when it's all just said and done
I'll just forget that I thought you were the one
If I could only just press pause right now
Would you tell me how? Would it work somehow?
Love is a lesson in just letting go, but I'm learning slow

I only like it when I'm falling
Like it when you're calling
Like it when you're over and we watch the moon til morning
Like it when you breathin'
Like it when we're dreamin'
I get butterflies because I know that soon you're leavin'

Then it's over
Yeah, it's over
I can't get over when it's over
When it's over

You disappeared like the last notes of a song
Leaving a silence where we once belonged
If I could only just press pause right now
Would you tell me how?
Would it work somehow?
Love is a lesson in just letting go, but I'm learning slow

I only like it when I'm falling
Like it when you're calling
Like it when you're over and we watch the moon til morning
Like it when you breathin'
Like it when we're dreamin'
I get butterflies because I know that soon you're leavin'

Then it's over
Yeah, it's over
I can't get over when it's over
When it's over

I only like it when I'm falling
I only like it when you're breathin'
I only like it when I'm falling
I only like it when you're breathin'

Then it's over
Yeah, it's over
I can't get over when it's over... when it's over
