

Tell Me

Better Off

If I know just one thing
I know this is right.
If we can't be together forever
Lets be together tonight.
I know that I'm not perfect
That I'm not what you need.
Ignore your insecurities ,
And let me set you free.

Can we be friends
And more than friends?
Are we just starting,
Or is this the end?
Just tell me this is right
Just tell me this is true.
Just tell me this is what you want
Tell me I'm the one for you.

I care about your feelings
And the way you're not quite sure.
You think you haven't found it yet,
But I know that I'm the cure.
So open yourself up to me
But you don't have to do it now.
I promise it will all work out,
If you let me show you how.

Can we be friends
And more than friends?
Are we just starting,
Or is this the end?
Just tell me this is right
Just tell me this is true.
Just tell me this is what you want
Tell me I'm the one for you.
