

Mercy

Better Than Ezra

Oh, my head
Aches from each night we lie and fight
In your bed
Can we just sleep tonight

Now I quit
I give
Mercy
So I quit
I give
Mercy

So, suffer
Neither one giving in
You think
We lurk
Somewhere a compromise

Now I quit
I give
Mercy
So I quit
I give
Mercy

All those letters
Split them tonight
Each wanting less than the other would like
So I quit
I give
Mercy

Now I quit
I give
Mercy
So I quit
I give
Mercy

Mercy
