

WWOZ is on in stereo  
A string of flowers haloed around your head  
Candle light  
Ceiling fan  
Curtains blow away and back again  
Back again  
Don't wake me, I think I'm in a dream

Sleeping is easy  
I used to lay in bed for hours  
I've waited a lifetime now maybe I'll learn

Calling back and forth through heavy air  
The barges sound their warnings in the dark  
Peace comes like a trusted friend  
As it starts to rain again fall away  
Fall away  
So don't wake me I think, I'm in a dream

Now sleeping is easy  
I used to lay in bed for hours  
I've waited a lifetime now maybe I'll learn  
Sleeping is easy  
I used to walk the streets for hours.  
I've waited a lifetime now maybe I'll learn

Let go of you fear, let's grow old together  
Find a place along the way  
Let's reel through the years  
Each makes the other better.  
But what thoughts can I call allies  
when this circle of ribs keeps working on its own?

WWOZ's on in stereo. Well it's on in stereo.
