Bettie Serveert

Double, double  
Too much toil and trouble  
On a day like this you cannot be too subtle  
No we shall not kill, but your ego will  
These are the times for a perfect crime

With the lights down low in the midst of a Sibling War  
No we shall not kill, 'cause your ego will  
She's got the mind for a perfect crime

Bad dog, Sad dog

Before you drown in concrete

Bad dog, Sad dog

You're a real sad dog  
No we shall not kill  
But your ego will
