

Marry Me

Betty Who

Waking up on the weekend
Thinking we could use a holiday
You and me and this feeling
Do you wanna take it all the way

I remember the moment I looked in your eyes
And I saw you and me growing old
Your were waiting for me so I guess they were right
When you know, you know

You think that we're meant to be
So I'm like do you wanna marry me
Ooh just get down on your knee
About time I know you wanna marry me

I get tired, I get crazy
You're the one that never ran away
So let's get drunk, go to Vegas
And I'll show you what you mean to me

I remember the moment I looked in your eyes
And I saw you and me growing old
It was hard to believe but I guess they were right
When you know, you know

You think that we're meant to be
So I'm like do you wanna marry me
Ooh just get down on your knee
About time I know you wanna marry me

If you do, if you do yeah
Then I do, then I do baby
If you do, if you do
Say you wanna marry me

If you do, if you do yeah
Then I do, then I do baby
If you do, if you do
Say you wanna marry me

Meet me at the chapel of love
Damn you're looking fine in your tux
Nothing could be better than love

Nothing could be better than love
Nothing could be better than love
Nothing could be better than love
Nothing could be better than love

You think that we're meant to be
So I'm like do you wanna marry me
Ooh just get down on your knee
About time I know you wanna marry me

Say you wanna marry me

If you do, if you do yeah

Then I do, then I do baby
If you do, if you do
Say you wanna marry me

If you do, if you do yeah
Then I do, then I do baby
If you do, if you do
Say you wanna marry me
