

Some Kinda Wonderful

Betty Who

Clap your hands if it feels good
It does indeed God damn it

I've been thinking we're meant to be
But I don't know how to show you the best of me
Yeah I want you
Do you want me too
Show it off in your beat up truck
And now I'm sure that it's more than a stroke of luck
Yeah I love you
Do you love me too
Yeah I love you
Do you love me too

Clap your hands if it feels good
Clap your hands, uh-hh
Clap your hands if it feels good
Clap your hands, uh-hh

Feeling tonight
Some kinda wonderful
Feeling inside
Some kinda wonderful
You messed my life
It's some kinda wonderful
We will always be
Some kinda wonderful
Some kinda wonderful

I keep showing off in the nines
But you show me you know it's a waste of time
Cause you want me and I want you too
Cause you want me and I want you too
You've been loving me just for me
You don't care what I wear and I can't believe
Cause you love me and I love you too
Cause you love me and I love you too

Clap your hands if it feels good
Clap your hands, uh-hh
Clap your hands if it feels good
Clap your hands, uh-hh

Feeling tonight
Some kinda wonderful
Feeling inside
Some kinda wonderful
You messed my life
It's some kinda wonderful
We will always be
Some kinda wonderful
Some kinda wonderful

I feel you in my body
My soul
You're taking me to heaven
I'm home

So go tell everybody we've got a sound
That's some kinda wonderful
I've been thinking we're meant to be
And I love that you love to be loving me

Feeling tonight
Some kinda wonderful
Feeling inside
Some kinda wonderful
You messed my life
It's some kinda wonderful
We will always be
Some kinda wonderful
Some kinda wonderful
Some kinda wonderful
