

# I Found That Guy

Betty Wright

Mama, oh, mama, I found that guy  
Mama, oh, mama, I found that guy

Mama, life for me now is new sensation  
Just like you said  
It would be with the right situation  
Now love has a meaning  
And I have a goal  
This feeling inside me now makes destiny a hundred years old  
Now I understand what it is to be a woman  
Since the way you explained it to me that day  
You said only the right guy will make me feel this way

Mama, I think I found that guy  
Mama, I think I found that guy

Mama, he's that beautiful dream that I dreamed this night  
He's that burning love on whose wings I've been flying  
He's those words left when there's nothing left to say  
He's my sunshine and happy end of a perfect day  
Now all his love has found a reason to be alive  
Since that day when you sat me on your knee  
You said only the right guy could feel this dream

Mama, oh, mama, I found that guy  
Mama, oh, mama, I found that guy

Oh, she said baby just take your time  
There are good guys all out there and that you will find

Mama, I think I found that guy  
And you know what  
I know I love that boy  
Mama, mama, mama, mama
