

# I'll Love You Forever Heart and Soul

Betty Wright

I'll love you forever  
I'll love you forever

Take a look into my eyes  
Can't you see  
Just how much you mean to me  
Hold me, darling, in your sweet loving arms  
Can't you feel  
All the happiness you've given me

Our love was meant to be  
Please give your heart to me  
And I'll love you forever heart and soul

I know you've been hurt  
And left standing at your door  
So now you're trying  
Trying to even up the score  
But just because you say you're blue  
Baby, don't you know  
Don't you know  
I've had the same heartache, too, yes, I have

But I'm trying to forget it  
And start all over again  
But I need a little help  
Why don't you please give me your hand

Oh, say you  
Say you'll be mine forever more  
And I promise, baby  
You'll never be hurt no more

Our love was meant to be  
Please give your heart to me  
And I'll love you forever heart and soul

Don't you know that I will love you  
Love you, ooh, heart and soul  
Don't you know that I will love you  
Love you, ooh, heart and soul
