

# It's Hard To Stop

Betty Wright

It's hard to stop doing something  
That's good to you, yeah, yeah  
It's hard to stop doing something  
That's good to you

It's hard to stop doing something  
That's sweet to you, ooh  
It's hard to stop doing something  
That's good to you

I love a man  
Who never stays at home, no  
He's always out on the street  
And all of my friends say  
I should leave him alone

Now he won't work, this man is lazy  
Oh, but at night, when I'm in in arms  
His loving drives me crazy  
That's why I have to tell my friends

It's hard to stop doing something  
That's good to you, ooh  
It's hard to stop doing something  
That's good to you, yes, it is

It's hard to stop loving  
When the loving is good to you  
Don't you know, it's hard to stop  
Kissing when the kissing  
Gets good to you, yeah

We go out together  
But he leaves me by myself  
Yeah, all by myself  
And all night  
He's with somebody else

Now sometimes I feel  
That I should make a plan, yeah  
But I can't let him go  
'Cause he's a good looking man

That's why I don't mind testifying

It's hard to stop doing something  
That's good to you  
It's hard to stop loving  
When the loving is good to you

Oh, ho, it's hard to stop  
Hard to stop, yes, it is
