

Pure Love

Betty Wright

Uh, huh, pure love
Uh, huh, huh, pure love

There's nothing phony about it
Talkin' 'bout pure love, baby, you got it
A lot of my friends say you're usin' me
Ho, but when you take me in your arms
I know you'll never lose me

Because it's
Uh, huh, pure love
Ooh, baby
Uh, huh, huh
I know that everything that looks good isn't good
But oh, baby, you treat me like a good guy should, mmm
You always do the things that make my heart sing
So no matter what anyone says
I know I got the real thing

Because it's
Uh, huh, pure love
Ooh...yeah
Uh, huh, huh, pure love

Ooh, it's so hard
So very hard to find the real thing today
It's even harder to keep they say
And it's so hard to keep a new love from growin' old, mmm

And everything that glistens
It sure don't have to be gold

But I've got
Uh, huh, pure love
Baby, baby
Uh, huh, huh, pure love

I like the way you love me, boy
Uh, huh, pure love
That's what we got
Uh, huh, huh, pure love

One more time
Uh, huh, pure love
, pure love
