

Special Love

Betty Wright

What can I do to make him my special love?
What should I do to make him my special love?
Should I tell him that I need him, to keep him by my side
Oh, I want him to spend his life with me
'Cause he's my special love, special love

What can I say to make him look my way?
(Tell him, how he makes you feel inside)
What can I say to make him look and stay?
(Tell him, that you'll always want him by your side)

Should I give him all my lovin'?
Should I tell him how I feel?
Oh, I want him to spend his life with me, mmm
Tell me how, tell me what should I do
Oh, tell me how, tell me what can I do
Ooh, ooh... tell me how

Should I give him all my lovin'?
Should I tell him how I feel? (tell him how I feel)
Mm, I want him to spend his life with me, ooh
Tell me how, tell me what should I do
Ooh, tell me how, tell me what can I do
Tell me how

Ooh, I wanna know, I, I, I wanna know
I need to know, and I've got to know
I need to know, oh, I wanna know (I wanna know)
I need to know (I need to know)
And I wanna know, I need to know
And I've got to know (special love)

(Want you to be my love) (I wanna know)
Baby, just begin to talk to me
(Want you to be my love) (I need to know)
Do you know I wanna make you my special love?
(Want you to be my love) (I've gotta know, special love)
What can I say to make you look my way?

(Want you to be my love) (I wanna know)
(Want you to be my love) (I need to know)
What can I do to prove that I love you?
(Want you to be my love) (I've gotta know, special love)
What can I do to prove that I love you, I love you, I love you

(Want you to be my love) (I wanna know)
(Want you to be my love) (I need to know)
Baby, don't you see me turnin', tossin'
(Want you to be my love) (I've gotta know, special love)
Baby, don't you feel me reachin' out to you, love

(Want you to be my love) (I wanna know)
(Want you to be my love) (I need to know)
Baby, don't you feel me reachin' out to you, love, oh
(Want you to be my love) (I've gotta know, special love)

Oh... (want you to be my love) (I wanna know)

Oh... (want you to be my love) (I need to know) oh, oh, oh...
(Want you to be my love) (I've gotta know, special love)
(Want you to be my love) (I wanna know)
(Want you to be my love) (I need to know)
(Want you to be my love) (I've gotta know, special love)
