Wait

Bettye Lavette

It's been a long time And now I'm comin' back home I've been away now But oh, I'm, I'm comin' home Wait till I come back to your side Will forgive the tears that we cry

But if your heart breaks Don't wait, turn me away And if your heart's strong Hold on, I wanted you wait Oh, wait

Till I come back to your side We'll forget about the tears we cried I feel as though you oughta know That I've been just as good as I can be And if you do... I will trust in you And know you'll wait for me

But if your heart breaks! Don't wait Gone and turn me away And if you're heart's strong Hold on, I wanted you wait

Till I come back to your side We'll forget about the tears we cried It's been a long time Now I'm comin' back home I've been away now, but oh, I'll I've been alone
